Notification of Inspection System Change Status

We have completed our review and evaluation of your Fabrication Inspection System changes, which was submitted to the Federal Aviation Administration (FAA) as evidence of compliance. The submitted data is acceptable and meets the requirement of Title 14 Code of Federal Regulations part 21 section 21.303.

The FAA reserves the right to require changes, additions, or clarifications that may become necessary as a result of subsequent inspections and/or evaluations.

This notification should remain in your file as evidence of FAA review of your Inspection System and submitted data.

Document Name: Fabrication Inspection System

Document Number: FAA-FIS-01
