ITAR Export Control Statement
***STOCK ITEMS – U.S. Warehousing Only**

We acknowledge the parts purchased from Wencor, LLC, hereinafter referred to as Wencor or any subsidiary or affiliated company (Dixie Aerospace, LLC, or Kitco, LLC) on the purchase order listed above, are export controlled by the International Traffic in Arms Regulations (ITAR) 22 CFR 120-130.

It is the responsibility and due diligence of _____, to determine the end use country and the end user (consignee of ultimate end use); it is also the responsibility of _____, to obtain any and all applicable Department of State licenses prior to any promised sale, deemed export or reexport outside the United States of any technical data or articles that are listed as United States Munitions List items controlled by the International Traffic in Arms Regulations; see [ITAR 22 CFR 120-130](#).
