

Valued Customer:

Due to the number of self-evaluation quality requests submitted to Wencor LLC and Kitco Defense, we have organized this standardized package to include a summary of the Wencor Group Quality System.

Wencor Group prides itself on providing customers with leading quality products and service to customers worldwide. The Wencor Group team consists of knowledgeable, experienced and highly qualified inspectors, sales associates, engineers, leadership and support staff to ensure we supply quality parts, products and/or material.

The Wencor Group companies provide our customers with the following services such as, but not limited to:

PMA- Air Cycle Machines, Airframe, Auxiliary Power Units, CSDs, IDGs and Generators, Engines, Fuel Systems, Hydraulics, Cabin Interiors and convenience items, Landing Gear, Pneumatics, Starters, and Thrust Reversers.

Distribution – Bearings, Hardware, Filters, Lighting, and Seals

Value Added Services – Kitting, Integrated Supplier Alliance, and Consignment Inventory (WenStock)

Wencor Group Corporate affiliates include: Wencor, Aerospace Coatings International, Soundair Aviation Services, PHS/MWA Aviation Services, Flight Line Products, Xtra Aerospace, and Kitco Defense.

In 2015 the Wencor Group moved its corporate headquarters to Peachtree City, Georgia. As part of the relocation, the Dixie Aerospace name was replaced with the Wencor trade name.

If you require additional information not contained in this Quality Package, please contact your sales representative.

Please visit our website at www.wencorgroup.com for more information.

Sincerely,

Mark Ginn
Director of Quality &
Management Representative
